New York, NY 10022

Dear Dr. Stone:

In a recent conversation with Dr. Jeffrey Idle, he recommended that I submit a research grant application to the Tobacco Research Council. To this end, Jeff suggested that I contact you for further information. I would, therefore, be most obliged if you could forward to me the necessary information that would enable me to complete such an application.

I will be happy to provide you with any information that you may require with respect to my background, training, C.V., research interests, etc. Thanking you in anticipation.

Sincerely,

Terrence J. Monks
